Classes

Success with Numbers

Instructor: Mr. Loya

10:00am-11:30am

Welcome to our exciting Summer Math Class curated especially for students who need to polish math skills entering grades 5-8! Our program is designed to engage students, build their confidence, and introduce skills they will see in the upcoming school year from 5th grade Math to Algebra and Geometry.

Let's Go!

Instructor: Mr. Loya

8:15am - 9:45am

Get ready for an action-packed summer filled with excitement, sportsmanship, and fun. Our morning sports class is designed for kids eager to stay active and play. Students should expect to both get a workout and learn the fundamental skills of volleyball, basketball, and/or football for their upcoming seasons.

Fun with Technology

Instructor: Mr. Loya

12:00pm-1:00pm

Students step up into the world of creativity and innovation with our exciting and dynamic classes. This unique program offers a diverse range of activities that combine the realms of e-sports, robotics, virtual reality, art, drones, and more.
